AROICON 2026

E-Poster Guidelines

Please read the following specifications carefully before preparing and submitting your E-poster.

1. E-poster General Specifications

- The E-poster will be displayed on a standard 42" LCD.
- File format should be PowerPoint (.PPT/.PPTX) and 16:9.
- 1 slide per poster only.
- Slide should be in the provided template.
- Animation/movies/sounds will not be supported; please submit in a static required template format only.

2. Design Specifications

- The E-poster needs to be created as per the given format.
- Presenter Name, Poster Title & e-poster Number should be placed in a title placeholder.
- The poster should be self-explanatory. The text should be brief and well organized.
- It is suggested that the font size of the text should be at least 14 points. The typeface chosen should be a simple and clear one (e.g. Times New Roman).

Case study presentation	Introduction Aim & Objectives Background Case Conclusion/ Clinical Relevance
Case report presentation	Introduction Aim & Objectives Materials & Methods Results Conclusion

3. Colour Specifications

- For light backgrounds (white, yellow, light blue): use dark fonts (black, navy blue, dark green).
- For dark backgrounds (blue, purple): use light fonts (white, yellow, cyan).
- Avoid red or green text or backgrounds as they are difficult to read.
- Images and illustrations should be high-quality and large enough to show relevant details.

> **IMPORTANT NOTE**
> **The Committee reserves the right to select abstracts relevant to the scientific program and to determine the final mode of presentation (Oral or E-Poster).**
